(b) (6), (b) (7)(C) - here is the contact information the Attny provided. He told me he didn't have any cards, and wrote his contact information down, but he had given a card to one of the other contractors working out here. See both:

It is my understanding that QRI worked for Weston during the Katrina response. I don't believe they recently have done work with Weston. However, they would need to answer that question. (b) (6), (b) (7)(C) that was working the Lard Oil response and noticed the personnel inappropriately wearing the "EPA Contractor" shirts as they were representing an attorney. It is my understanding the contractors removed the t-shirts after being confronted. Weston indicates that they have also been in discussion with QRI CEO and are also following up with QRI in writing. Hello and good morning. Please help me determine how much money QRI possibly earned within the last year or so from working as a subcontractor to one of Region 6's prime ERRS contractors-thanks gents.
